MILAN NEW YORK

OMBRA COFFEE TABLE

The Ombra table is designed around a square double lens glass which gives the piece a unique sense of depth. The brass constructed frame ends in four sleek sloping legs. See our Riflesso table for a similar design in a round shape. *The concave glass component in this piece is hand worked and mirrored by artisans and as a result may arrive with minor, marks, scratches, or spotting. In rare occasions spots may also appear gradually over time after delivery. Any of these "imperfections" are considered normal and will not be considered defects.*
