MILAN NEW YORK

OVAL OCULUS – MURANO GLASS

CEILING LIGHT

LTZ581/OM

The Oculus ceiling light features an innovative articulating design that allows the ten arms to have a wide range of motion for endless configurations. The brass constructed frame can be flush mounted or installed on a stem and can be fitted with either our carved glass made in Milan or our blown glass made in Murano. This version has an oval footprint which makes it ideal for elongated spaces and over dining tables (The standard version has a round layout).

Starting at \$ 11,500 for standard finishes.

Starting at \$ 12,600 for premium finishes.
