

GASPARE ASARO

MILAN NEW YORK

MASTERFULLY HANDCRAFTED IN ITALY.
UNIQUELY YOURS.

Founded in 2010, Gaspare Asaro is a multifaceted design studio, led by father and son duo, Gaspare and Vittorio, focused on crafting one-of-a-kind lighting and furniture. With workshops in Milan and Florence led by a team of master artisans, each piece we make is fully customizable so that the final product is uniquely yours. The current collection can be experienced at the New York showroom, located in the iconic Upper East Side neighborhood. Our inspiration is vast, spanning from time honored techniques, to geometric forms, and the natural beauty of Italy.

Our pieces are highly customizable with the ability to modify sizing and layout and to choose from a variety of metal finishes, enamel colors and materials. The final product is one of a kind.

PERLA GRANDE

METAL

Our patinas are applied on brass or copper and are available in a semi-gloss or matte finish. Due to their artisanal nature, minor variations and imperfections may occur contributing to the uniqueness of each piece. Polished brass and satin brass may be left unlacquered to promote a natural aging. Client supplied finishes can be matched on request.
