

GASPARE ASARO

MILAN NEW YORK

CUORE N.6

CEILING LIGHT

The Cuore collection was conceived with the goal of creating fixtures that are unexpected yet clean and harmoniously balanced. This is highlighted by the organically styled shades sprouting out of linear frames. Carefully thought-out details such as the cast brass junction pieces and versatile diffuser options further reinforce this notion. The shade diffusers can be Alabaster for a natural look, frosted glass for a classic option or metal with a backlit open perimeter for a modern and sleek feel. Shown here is the six shade version on a serpentine frame. See the three and five shade versions for additional layouts as well as the complementing wall lights.
